THE CALL TO DISCIPLESHIP

The core vocation in the Gospel of Mark is the vocation, or call, to discipleship. Today's Gospel passage provides us with one last example of what the vocation to discipleship means, and one example of what it doesn't mean. A destitute widow shows us that discipleship means following Jesus' way of service, even if it requires giving one's livelihood (or life). The scribes show us by their bad example that discipleship should entail a vocation to extend God's care to those who are most in need.

In our reading from the book of Kings another widow and her son are close to death. They too give what little they have, but they are rewarded by Elijah with food enough for a year. And the reading from the Letter to the Hebrews reminds us that Jesus sacrificed his life "to bring salvation to those who eagerly await him" (Hebrews 9:28).

INTENTION IN PRAYER BASKET

I thank the many people who pray for the intentions of our parishioners on Sundays and weekdays.

Each week we have some people who thank God for their prayers which are answered. Please check the thanksgiving basket to see if it is true.

Do not hesitate to put your intentions in the basket.

You could feel the power of God in this ministry.

UNITED IN FAITH

This poor widow put in more than others.

The Gospel today tells us that Jesus observed the people who put money in the temple treasury. He noticed a poor widow who puts in just two little coins worth of a few cents. He called his disciples to himself and praised that woman. He told them that she gave from her needs and poverty while the others gave from their surplus. Basing on her good will, he judges that she gave the most. To the Lord, the way of giving is more important than the offering, the heart of the donors is more appreciated.

In the first reading, a widow of Zarephath met the prophet Elijah during the starvation season. She has just a little bit to eat for herself and her son before they may die. The prophet of the Lord asked her to give him something to eat. Trusting the man of God, she cooked some for him first, then something else for her and her son. God rewards her that her jar of flour will not run out, and she was able to eat for a year.

In our economic turmoil, even though we are in need of finances for survival or unexpected needs, we could do as the widow of Zarephath and another one of Jesus' time to give God whatever we can. Your heart and your generosity are more important than the quantity. Your financial sacrifice is very appreciated.

The Jewish people were recommended to pay a tithe of 10% of their income to the temple. Many Protestant churches suggested their faithful to do that way. The Catholic Church does not emphasize on that 10% tithe, but encourages her faithful to give as much as they can.

If you check your income, how much did you give to the Church and the poor?

Father Quinn
