Corpus Christi, The Body and Blood of Christ.
 The institution of Corpus Christi as a feast in the Christian calendar resulted from approximately forty years of work on the part of Juliana of Liège, a 13th-century religious woman from an unrecognized religious order.
 The celebration of Corpus Christi became widespread only after both St. Juliana and Bishop Robert de Thorete had died. In 1264 Pope Urban IV issued the papal bull *Transiturus de hoc mundo* in which Corpus Christi was made a feast throughout the entire Latin Rite. The legend that this act was inspired by a procession to Orvieto after a village priest in Bolsena and his congregation witnessed an Eucharistic miracle of a bleeding consecrated host at Bolsena.
 St. Thomas Aquinas composed hymns for the devotion of the Holy Eucharist and for the feast of Corpus Christi, such as *Pange Lingua* or another eucharistic hymn, *Tantum Ergo*, which is sung at Benediction of the Blessed Sacrament. *O Salutaris Hostia*. St. Thomas Aquinas made hymns to adore our Lord in the Blessed Sacrament, since he has great devotion to the Blessed Sacrament.

The Mass of the Most Precious Blood of Our Lord Jesus Christ is now celebrated on Sunday after the Trinity Sunday. Do you believe in the presence of our Lord in the Blessed Sacrament? If not, you may be online, go to google and search: type, the miracles of the Holy Eucharist. You will find for yourselves many stories of the miracles of the Holy Eucharist which are present in our times.
 The Lord wants to prove to the world that he is truly present among us.
