Dear Parents / Guardians,

The 8th grade students took the preliminary Confirmation test on November 29. Some did very well, others need to spend more time learning the basic facts of the Catholic faith in order to be adequately prepared for the Sacrament of Confirmation.

The family project was also due on November 29th. All students who completed the family project passed the preliminary test. The students will be given the test back so they may look up and learn the information. The test will be re-taken on April 3rd.

Confirmation robes will be rented from Rose Therese Cap & Gown Co. and will be returned immediately following Confirmation.

A thirty dollar (\$35) fee will be collected from each student to cover the various costs involved:

- Retreat Evening, May 15 which includes a pizza supper.
- Gown Rental and return postage
- Certificates

The fee is due no later than Tuesday, April 3.
